

Austin Healey owners to gather in South Tahoe

As the sun rises over the lake early June 24, cars will be getting their last-minute cleanup and makeup as they prepare to show the community of South Lake Tahoe that the British have once again arrived.

More than 125 Austin Healeys from California, Nevada, Oregon, Washington, Canada and farther away will be on display in the center of Heavenly Village from 10am-2pm.

Various models from 1953 to 1968 will be represented.
