

Garbage rate increase proposed for N. Shore

Tahoe Truckee Sierra Disposal is proposing to raise rates by 1 percent starting July 1.

There will be a public hearing on the topic on June 11 at 9am in the El Dorado County Board of Supervisors meeting room in Placerville.

Currently residents pay \$24.69 for one 32-gallon gallon or \$32.61 for two cans per month. The rate increase would have those fees to go \$24.94 and \$32.94, respectively.
