Bison Fire from
Kingsbury Grade.

Bison Fire's smoke covers
the sky.

Sharon Resnikoff sent these photos to *Lake Tahoe News* of the Bison Fire that is burning in the Pine Nut area of Douglas

County. Some were taken from Highway 395 and others along Kingsbury Grade.

The fire started July 4 after lightning struck the area.

Non-residential buildings have been consumed in the inferno. More than 9,000 acres are charred.
