

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Sequoia

Sequoia is a very nice little rat terrier-chihuahua mix, about 6-months-old. She is friendly and sweet.

She is great with kids and other dogs and wants to play with cats (her feelings get hurt when they hiss at her) and would do well in any kind of home who gives her attention.

Sequoia is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. (The shelter continues to have many kittens available for adoption).
