

Stargazing event at Spooner Lake

Professional stargazer Gigi Giles will explain what's in the sky on Aug. 24 at Spooner Lake.

Participants will be able to peer through high-powered telescopes and astronomical binoculars at elevation 7,000 feet.

Wear comfortable shoes and bring a light jacket and flashlight. Young children and pets are not advised to attend.

The park entrance fees are waived for the event. Meet at Spooner Lake Park's upper parking lot. The event is from 8:30-10pm.
