

TRPA looking for spirit award nominations

The Tahoe Regional Planning Agency is taking nominations for the Lake Spirit Awards.

The public is encouraged to nominate members of community who have gone above and beyond the call of duty to protect the beauty and clarity of the Lake.

A North Shore and South Shore winner will be selected in each category.

Nominations for the Lake Spirit Awards can be made online, and will be accepted through Dec. 2. Winners will be announced at TRPA's Governing Board meeting on Dec. 18.
