

Learn how Tahoe's animals survive winter

Have you ever wondered what Tahoe's animals do for the winter? Will Richardson of the Tahoe Institute for Natural Science will present an overview of the strategies used by Tahoe wildlife for enduring long Sierra Nevada winters, and highlight many fascinating examples of how they are employed.

The talk is Dec. 5 at 5:30pm at the Tahoe Center for Environmental Sciences, 291 Country Club Drive, Incline Village.

Cost is \$5.
