

LTVA makes it easy to donate to Christmas Cheer

Lake Tahoe Visitors Authority is setting up a “drive and drop” for Christmas Cheer.

People may drive through the parking lot at 3066 Highway 50, South Lake Tahoe, and drop donations into the bins provided by South Tahoe Refuse. Bins will be available Dec. 9-14 from 9am–5pm.

Christmas Cheer feeds families every month. The need for wholesome meals is even more important to those with children who are out of school at the holidays.
