

Online business reputations subject of workshop

Build a better reputation online with help from Lake Tahoe South Shore Chamber of Commerce and Peak 1 Group at Tech Tuesday on April 1 at 8am.

This workshop focuses on the importance of reputation marketing. Participants will learn how to proactively manage their online reputations while increasing their websites' visibility, traffic and engagement.

Tech Tuesday is a monthly series about the latest trends, tools and opportunities in technology, marketing and social media. Participants are encouraged to bring their computers. They are at the chamber conference room at 169 Highway 50, Stateline.

This workshop is free for chamber members and \$15 for non-members. Register online.
