

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Mirella

Mirella is a 10-month-old tabby who is quite beautiful. She likes other cats, and especially likes dogs.

Mirella needs a special home. She has a birth defect which has left her with odd eyes. She may go blind as she gets older, but right now she is quite active and loves to play.

Mirella is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other cats who are waiting for their new homes.

Go online or the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
