

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Queen

Queen is a beautiful 7-year-old Australian shepherd-Husky mix who likes other dogs.

She likes cats and other small furry creatures a little too much. She will be quite good at keeping them out of your yard. She is house trained and has good manners, and likes walks and car rides.

Like most dogs of her breed, Queen can be a little stubborn, but she is very loyal to her people.

Queen is spayed, microchipped, tested for heartworm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go online or the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
