

# Film crew to cause detours in Carson Valley

Filming for an ad campaign will close Jacks Valley Road from Arcadia Drive to Green Acres Drive from 8pm-6am April 27-29.

The purpose of the closure is to capture still frame images for an automotive headlight advertising campaign. The vehicles used to create the headlight images will be stationery and the headlights will be powered by an external battery source reducing and additional engine noise.

Traffic in the Carson Valley will be detoured south on Arcadia Drive to Pawnee Street and then north on Green Acres Drive back to Jack's Valley Road. Traffic on the orth side of Jack's Valley Road will be detoured to Bucks Way and south to Jack's Valley Road on Green Acres Drive. Appropriate traffic control and location flagging teams will be provided.
