

Rides available on historic railcar

The Nevada State Railroad Museum will operate and offer rides aboard Virginia & Truckee Railway's McKeen motor car No. 22 on May 10 from 10am-4pm.

The car is a National Historic Landmark.

The car entered service for the V&T on May 9, 1910, and was retired in 1945. No. 22 is the only restored and operable McKeen motor car remaining.

Train fares are \$8 for those 12 and older; \$4 museum members and children 4-11; free for children 3 or younger.

The Nevada State Railroad Museum is at 2180 South Carson St., Carson City.
