

Family storytime at Dangberg Ranch

The Douglas County Public Library is hosting a special family storytime on June 18 at 10:30am under the canopy at Dangberg Home Ranch Historic Park.

Youth Services Librarian Kathy E. will tell a story based on the book "No Problem" by Eileen Browne. Afterward children of all ages will fold their own paper airplane. They will test how far it goes, discover how long it stays in the air, and aim their plane through a target.

The Dangberg Home Ranch Historic Park is located at 1450 Highway 88 in Minden.
