

Free park entrance with Tahoe plate

The Tahoe Fund is partnering with Nevada State Parks to offer free access to Sand Harbor, Cave Rock and Spooner Lake on July 12 to current owners of Lake Tahoe license plates.

The event is meant as a thank you to those who support Lake Tahoe with the purchase of Tahoe license plates.

Funds generated through the sale of Tahoe license plates support projects that help to preserve and restore the natural environment of the Lake Tahoe Basin.

Entrance is free for Nevada and California plates.
