

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Holton

Holton is one of several beautiful big cats at the shelter right now, and the only one who isn't orange.

His owner died. Holton was living outside for a while until he was brought to the shelter, so he had to have some matted fur clipped – but it will grow back very nicely.

Holton is a little shy right now, but very sweet, and he loves to be petted and scratched.

Holton is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
