

Fishing fees waived for one day in Calif.

July 5 is the first of two free fishing days in California in 2014.

All fishing regulations, such as bag and size limits, gear restrictions, report card requirements, fishing hours and stream closures remain in effect. Every angler must have an appropriate report card if they are fishing for steelhead or sturgeon anywhere in the state, or salmon in the Smith and Klamath-Trinity river systems.

Free Fishing Days provide a low-cost way to give fishing a try. The next free day is Sept. 6.
