LTUSD registration about to open

Students entering kindergarten in the Lake Tahoe Unified School District in August need to be registered at their local school.

A child must be 5 on or before Sept. 1, 2014. If your child will turn 5 before Dec. 1, they qualify for transitional kindergarten.

California law requires:

- 1. The child's birth certificate.
- 2. Proof of immunization, which includes the Varicella (chicken pox), Hepatitis B and for most children, the last booster shot. Children will not be enrolled in school without presenting an up-to-date immunization record.
- 3. A health examination upon entry to school. Schedule with your family doctor or clinic.
- 4. Oral health examination upon entry to school (dental examinations that have occurred in the last 12 months meet this requirement).
- 5. Proof of California residency.

Call the school for an appointment to register. Staff will be available starting Aug. 4:
