

S. Tahoe-El Dorado County draft rec plan released

South Lake Tahoe and El Dorado County's draft Parks, Trails and Recreation Master Plan is now available online for review.

Officials say the plan provides direction for enhancing recreation opportunities for residents and visitors by increasing collaborative efforts and focusing resources where they are most needed.

The key recommendations are: regional coordination and collaboration, park and facility maintenance, renovations and improvements, new park, facility and trail development, recreation activities, programs and events, and operations and management.

There will be an open house Sept. 25 at 7pm for the public to share ideas on the recommendations within the plan. It will be at the recreation center at 1180 Rufus Allen Blvd., South Lake Tahoe.

A survey about the plan is online.
