

Soroptimists provide backpacks for students

Every year, members of the Soroptimist International of Tahoe Sierra launch a "Backpack Attack" to ensure students in grades K-12 who need them have a new backpack.

Members of the club donate items to fill the backpacks, including: pencils, paper, notebooks, binders, rulers, erasers, pens, and more.

This year, through a generous donation of 50 Backpacks from JANSPORT, the club was able to provide Live Violence Free with the supply-filled backpacks for the youth being served by that agency serve.
