

Stargazing event at Spooner Lake

Professional stargazer and astronomy instructor Gigi Giles will lead a laser-guided tour of the stars on Aug. 29 at Spooner Lake State Park.

Giles will have high-powered telescopes and astronomical binoculars to look through.

The free event is from 8:30-10pm.

Park in the upper lot. Spooner park is located off Highway 28 near Highway 50.

Dogs are not welcome. Wear comfortable shoes, warm clothes and bring a flashlight.

For more info, call 775.831.0494, ext. 224.
