

Find out about LVFPD's Measure H

Lake Valley Fire Protection District is putting on an educational forum on Measure H on Oct. 8 from 5:30-7pm at Fire Station 7 at 2211 Keetak St in Meyers.

Measure H is on the Nov. 4 ballot. It is a special flat rate parcel tax for properties served by the Lake Valley Fire Protection District to fund the following programs: wildfire prevention and suppression programs, the Angora Peak Fire Crew, and equipment and facilities repair and replacement.

The district serves the California side of the South Shore outside of the South Lake Tahoe city limits, east to the state Line, north to Emerald Bay, south to Pickett's Junction in Alpine County, and west to Twin Bridges.
