

Talk to center on LTWC

Tom Millham, co-founder of Lake Tahoe Wildlife Care and secretary-treasurer, will be speaking Nov. 11.

He will be talking about the rehabilitation center that was founded 32 years ago, share tales of the thousands of animals that have been saved and touch on the future of this nonprofit that is based on the South Shore.

The talk is free to Lake Tahoe Historical Society members, \$3 for others.

The 7pm event is at the Lodge at Camp Richardson.
