

Candidates forum on North Shore

The North Lake Tahoe Candidates and Issues Forum is Oct. 14 from 6-8:30pm at the Tahoe City Public Utility District board room on Fairway Drive in Tahoe City.

Candidates running for positions on the TCPUD board, NTPUD board, Tahoe Forest Hospital District board as well as proponents of the Tahoe Truckee Unified School District's bond issue for lakeside schools, Measure E, will be present to address the audience in a moderated question and answer program.

The format for the evening will be to allow candidates for each agency the opportunity to provide a one-minute opening. This will be followed by questions from the moderators as well as written questions collected from the audience. Candidates will be given a one-minute response time. At the end of the Q&A time, there will be a final opportunity for a one-minute closing statement.
