

Liberty Utilities seeks rate increase

Calpeco, parent company of Liberty Utilities, on Oct. 15 filed a request with the California Public Utility Commission for a rate increase.

If approved, the increase would take effect Jan. 1.

Liberty is the electric provider for the California side of the Lake Tahoe Basin, as well as Alpine County and Truckee.

The increase for residential customers is 0.66 percent.

Comments or protest letters may be emailed to public.advisor@cpuc.ca.gov.
