

Time to clean the trails at Sierra

Sierra-at-Tahoe's Keep Sierra Clean Day is Oct. 19.

Staff and volunteers will hit the trails to pick up trash before the snow falls.

Registration begins at 10am, with the lift spinning at 10:30am.

Sierra will provide a free lunch, live music and giveaways on the Solstice Plaza. The event goes until 3pm.

In addition, there will be a ski swap in the parking lot from 2-3pm.
