

Letter: Appreciation for Tahoe concert cruises

To the community,

Over the last few weeks, the talented duo of Ike and Martin have rocked the MS Dixie and the Tahoe Queen with a series of free concert cruises.

I can't begin to express how wonderful these musical interludes, in the midst of all the holiday madness, lightened our moods and elevated our love of all things Tahoe. Kudos to not only Ike and Martin, but to Aramark Parks and Destinations along with their very hospitable staff on both ships.

There really are few things as magical as a lake cruise, surrounded by friends, listening to exceptional music. It was a Christmas present, in and of itself.

Thank you to all who made it happen.

Denise Haerr, South Lake Tahoe
