

Letter: Chamber says thank you

To the community,

Despite the power outages and high winds in the South Shore, the Marriott Grand Residence Club was warm and cozy with power on Thursday night, which made it the perfect first stop for Lake Tahoe South Shore Chamber of Commerce's annual Winter Wine Walk Business After Hours Mixer.

Nearly 100 guests began their tours at the Marriott Grand Residence Club with a taste from Crystal Basin Cellars before embarking on a tour to participating businesses. Each shop welcomed attendees with food, drinks and raffle prizes. It was a fun, blustery night that included great food, wine and friends.

A special thanks to Yellow Cab and Good Samaritan International for providing safe ride vouchers.

Best,

Shannon Earley, chamber communications coordinator
