

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Arco

Arco is one of just two dogs at the shelter right now. It would be great to send both of them to new homes for the holidays.

Arco is a nice 4-year-old beagle-Chihuahua mix, maybe 20 pounds, who is one of the many dogs who have come to us from the Central Valley. He is house trained. Though he does OK with other dogs, he would rather be an only pet.

Arco is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

For spay-neuter assistance for South Tahoe residents, go online.
