

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Jenni

Jenni is a nice 11-month-old gray tabby cat who does well with other pets.

She would also be fine as a single pet. In the shelter, she amuses herself by playing with the toys in her kennel. Jenni likes to play rough and wrestle and will sometimes play bite when she gets over excited, so might be best in a home without small children. Cat adoption fees are discounted at the shelter for the rest of December, just \$40.

Jenni is spayed, microchipped, tested for FIV, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
