

# **Snowshoe Cocktail Race tests agility, speed**

Can you run in snowshoes? Can you run and carry a tray full of drinks in snowshoes? How about just watching people try?

Camp Richardson's first Snowshoe Cocktail Race of the season is Jan. 17 at 7pm.

Racers run with cocktail trays in hand through obstacles and up and down the beach. The winner is the fastest and cleanest at the finish. Spilling drinks is not a winning strategy.

Signups start at 5pm at the Beacon Bar and Grill. Snowshoes will be provided. All levels welcome.

The next races are Feb. 21 and March 21.
