

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Monkey

Monkey is a very sweet 6-year old Spaniel mix who has lived with kids. She is petite, about 15 pounds, and loves to go for walks. She is an active girl with loads of personality who came to the shelter with her sister, who has already been adopted. Monkey will fit into just about any home.

Monkey is spayed, microchipped, tested for heartworm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
