

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Jill

Jill has been overlooked among the playful kittens and more glamorous orange cats at the shelter. She has beautiful dark gray fur, but she is rather shy and hangs back a bit with new visitors. She does like to be held once she has a few minutes to get used to visitors, and would probably like a calm, quieter home. Jill is 4 years old.

Cat adoption fees are discounted at the shelter for the rest of January, just \$40.

Jill is spayed, microchipped, tested for FIV, and vaccinated.

She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
