

Incline's Radio Shack on closure list

Radio Shack's bankruptcy filing this week is affecting Lake Tahoe.

The Incline Village Radio Shack store is on the list to be closed. The South Lake Tahoe store is one of the 1,750 that will remain open.

The stores staying open are expected to become co-branded Sprint stores.

The company filed for Chapter 11 bankruptcy this week. The announcement included that nearly 4,000 stores will be shuttered.
