

Round Hill woman guilty of killing husband

Tatiana Leibel

A jury on Feb. 5 found a Round Hill woman guilty of shooting her husband to death a year ago.

Harry Leibel, 64, died of a single gunshot wound on Feb. 23, 2014, at the couple's home.

At first Tatiana Leibel, 51, told authorities her husband shot himself. Jurors on Thursday found her guilty of second-degree murder.

Leibel is scheduled to be sentenced April 24. She was being held without bail.
