

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Reba

Reba is a beautiful Catahoula leopard dog-Lab mix who is 3-year-old and very sweet.

She is about 45 pounds, and has very soft, pretty fur. She gets along well with other dogs, but appears to be a little too interested in cats. Reba is an active girl who would like to get exercise each day.

Reba is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet. For spay-neuter assistance for South Tahoe residents, go online.
