

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Chuck

Chuck is a 3-year-old American Staffordshire terrier who is smart, friendly, and well behaved.

He walks nicely on the leash, and knows sit, stay, and down.

Staffordshire terriers are often compared to pit bulls, but while they have similar characteristics, they are generally shorter and stockier. Both breeds are known for being loyal, fearless, and affectionate. Chuck appears to have all of these traits, and will make a great pet for just about any household.

Chuck is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
