

Truckee PD looking for OHV money

The Truckee Police Department is submitting a preliminary off-highway vehicle grant applications to the California State Parks Off-Highway Motor Vehicle Recreation Division for the funding to create and maintain an OHV program.

The money would be used for enforcement and education related funding.

The application is available online for public review and comment until April 6. Public comments need to be submitted to both the Truckee Police Department and the OHMVR, instructions on how to comment are on the OHMVR's website under "Public Review Instructions."

People wishing to direct their comments directly to the police department may email rmoreau@townoftruckee.com.
