

Docents needed for Tahoe environmental centers

Residents who would like to help people learn about the region's environmental assets and challenges are needed to serve as volunteer docents at the UC Davis Tahoe Science Center in Incline Village and the Eriksson Education Center in Tahoe City.

Docent training will take place June 2, 4 and 6; culminating with a trip on the UC Davis research vessel on June 12. Attendance at all three training sessions is strongly recommended.

No science experience is necessary.

To RSVP, contact Carley O'Connell at 775.881.7560, ext. 7474 or email coconnell@ucdavis.edu.
