

Letter: Chamber mixer a success

To the community,

South Shore community members felt the need for speed networking on April 30 at Lucky Beaver Bar & Burger. Attendees participated in speed networking rounds resulting in new business connections during Lake Tahoe South Shore Chamber of Commerce's Need for Speed Networking Business After Hours Mixer. The speed networking rounds enabled attendees to easily meet new people and learn more about their partner's local business.

Thank you to Lucky Beaver Bar & Burger for hosting and to all of the community members that helped to make this event such a success. The next BAHM is May 28 at Round Hill Pines Resort in Zephyr Cove.
