

2 distances in Tahoe Legends Run

The annual Tahoe Legends Run is in June 20.

The 5K and 10K races raise money for the track and field at South Tahoe Middle School.

The runs wind through rolling hills, forests and meadows on a single track and a bike path. Competitors start at the Lake Tahoe Community College parking lot and finish at STMS, former home of the 1968 Olympic Trials track.

Registration is from 7:15-7:45am at LTCC, with the race starting at 8am. To register in advance, go online.
