

South Shore ready for annual fireworks

Lights on the Lake, the largest Fourth of July fireworks display in the west, will fill South Shore's night sky for 25 minutes.

Now in its 34th year, the holiday tradition is synchronized to a soundtrack of familiar songs by pop legends and from music acts that will be at Harveys this summer. It is simulcast on KRLT-FM 93.9 and KOWL-AM 1490.

The show starts at 9:45pm.
