

Tahoe Tails: Adoptable Pets in South Lake Tahoe

Ginger

Ginger and her sister Mary Ann are 8 to 10 month old pit bull mixes who are a bit on the shy side. Ginger is more outgoing, but both are very sweet, get along well with other dogs, and walk nicely on the leash. They do not have to go home together.

Both girls would do best in a patient home where they'll get lots of exercise and some obedience training, plus gentle socialization.

Ginger and Mary Ann are spayed, microchipped, tested for heart worm, and vaccinated. Both are at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
