Mashona

Mashona is a white Chihuahua who is about 5 years old. She walks nicely on her leash and she loves to cuddle. She does well with other dogs and loves to play.

Mashona is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
