

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Sunkist

Sunkist is one of several kittens available for adoption at the shelter right now. All are very pretty, playful kittens with lots of healthy energy. Also, the shelter is looking for a few homes to foster other younger kittens for a few weeks. Call the shelter if you are interested.

Sunkist is spayed, microchipped, tested for FIV, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other cats and dogs who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all available pets at the shelter.

Call Animal Services at 530.573.7925 for directions, hours, and other information on adopting a pet.
