

Barbells for Boobs fundraiser at ST Crossfit

South Tahoe Crossfit is putting on a Barbells for Boobs fundraiser on Oct. 24 starting at 9:30am.

The event will raise funds to provide mammograms for early detection of breast cancer, especially for people younger than 40. There will be a tribute workout to breast cancer fighters and survivors. People may join the workout or watch and support.

This year's event is dedicated to **Renee Gorevin**, a teacher in Lake Tahoe Unified School District.

Donations may be made online.
