

S. Lake Tahoe enforcing sidewalk snow removal

South Lake Tahoe is reminding business owners of the snow removal ordinance.

Business owners are responsible for sidewalks that are on or immediately adjacent to their business or property. It is the responsibility of all businesses to keep their sidewalks and walkways clear of all dirt, ice and snow.

The code reads:

“It shall be the duty of all owners, and their tenants, of real property within the city whose property borders, or is in an easement, any improved sidewalk or walkway to maintain the sidewalk or walkway in a safe condition for its use by pedestrians and other members of the public. The duty created by this section shall include the duty to keep the sidewalk or walkway free and clear of all dirt, sand, gravel, filth, rubbish, ice and snow.”
