

# 2 seriously hurt in sledding accident

**By Associated Press**

Two people sledding near the Mount Rose Highway have been hospitalized after crashing into a parked vehicle.

North Lake Tahoe Fire Protection District says the incident happened about noon New Year's Eve in the Meadows area that is popular for sledding.

Two people were hurt in the crash and taken to Renown Medical Center in Reno. One person was airlifted and the other was taken by ambulance. Fire department spokesperson Tia Rancourt said their conditions weren't immediately available.
