

# Letter: Giving thanks for Second Serving

To the community,

Every Friday for the last six years, Bread & Broth has been partnering with Lake Tahoe Community Presbyterian Church to feed the hungry through the Second Serving program.

Second Serving meals consist of soup and a simple entrée such as pasta dishes, sloppy Joes and chili cheese dogs. They are served from 4-5pm in the family room of the LTCPC. These meals complement the Bread & Broth Monday evening full-course dinners served at St. Theresa Church Grace Hall.

The dinner guests at Second Serving are treated to hot, tasty and nutritious chowders, and tomato, bean and vegetable soups thanks to eight South Tahoe restaurants that prepare and donate their soups to the Second Serving program.

Bread & Broth would like to acknowledge and thank Blue Angel Café, Café Fiore', Freshies, MontBleu, Nepheles, Riva Grill, Ridge Tahoe and Tep's Villa Roma for their participation in the Second Serving program. By donating soups, these restaurants are truly Bread & Broth's partners in easing hunger in the Lake Tahoe South Shore community.

Finally, Bread & Broth would like to thank the Second Serving volunteers and the LTCPC for all of their support in providing a second weekly meal to those most at risk of dealing with hunger.
