

Accident snarls traffic near Strawberry

A single-vehicle rollover accident is blocking the eastbound lane of Highway 50 near Strawberry.

No injuries requiring transport to a hospital were reported.

The accident occurred just before 11:50am Jan. 18. The black Jeep Wrangler is on its right side.

California Highway Patrol has no estimate when traffic will be flowing freely again in both directions.

The roads have been slushy and slick, and full of vehicles leaving Tahoe after the holiday weekend.
